**SAN MATEO COUNTY**

Applicant:      San Mateo County Transit District

Program:      Department of Transportation

Project:      San Mateo County Transit District (SamTrans)

Description:      This capital project is intended to help fund the replacement of the District's revenue collection system which has reached the end of its useful life. The current revenue collection system is approaching 19 yrs of service, far exceeding its lifespan. The existing revenue collection system is obsolete with repair parts increasingly difficult to find. As this condition worsens, buses may be put out of service and/or passengers may ride for free when they are unable to place money in jammed fareboxes, whnile the maintenance department seeks parts for repairs.
